WORK EXPERIENCE

A Senior Art Director with 15 years of experience, Dan McGorry is responsible for establishing the artistic and conceptual direction for a variety of projects. His work includes interface design, application design, animation, corporate identity/branding, print collateral, visual specifications, iconography, posters, CD packaging and book covers. He is also responsible for managing designers and collaborating with project managers, information architects, and developers.

Dan's contribution to "Hungry," an ad campaign that depicted the homeless crisis in New York City, helped earn Fusebox a coveted Silver Pencil award.

Dan has worked with clients including: Discover Financial Services, JPMorgan, Chase Home Finance, Citigroup Asset Management, Miletus Trading, Pragma Financial Services, ESPN, MTV Networks, CNN, St. Regis, Coalhouse Productions, Time Warner Cable, The Gondobay Manga Foundation, Empressr, Mastercard, CollegeBoard, Rider University, Educational Testing Service (ETS), ATO Records, The Library of Congress, Monroe College and Reuters.
